

# WHY LEASE?

# 1

**It's expensive to buy a vehicle!**

Because we look after your needs from start to end.

## Predictable Expenses

Knowing your expenses ahead of time helps you plan your budget with less risk involved. Vehicle / equipment ownership expenses are always unpredictable and can cause cash flow problems when you are not prepared.

# 2

**No huge DOWN PAYMENT!**

## Better Cash Flow

Capital set aside for vehicles / equipments can be enormous when you combine with insurance premium hikes and ever rising maintenance costs. Our leasing packages will address all these concerns. A steady and undisrupted cash flow is a business advantage. It gives you a complete peace of mind.

## Replacement Ready!

## Reduce Downtime

It pays to be ahead of your game! Don't let a vehicle problem slow you down in today's fast paced environment. A replacement vehicle / equipment is always ready to keep your

# 3

## I have more time to be productive!

## Maintenance & Manpower

Managing your own fleet takes away precious time which can be better channelled to your business and family. Leasing gives you more time to handle important business and life decisions.

## More financial flexibility.

## Alternative to Credit Lines

Choosing the right vehicles / equipments while expanding your fleet is made easier with leasing. An alternative financing option that frees up more of your credit lines, improves your profitability ratios and at the same time, boost up your business profile.

# 5

## Mix & Match?

## Grow my business anytime.

## Expansion Opportunity

Leasing allows you to expand your business whenever the opportunity arises. We let you focus on your business while we take care of your vehicle / equipment requirements.

## No Uncertainties

No disposal loss uncertainties with the option to add, upgrade, or dispose vehicles / equipments easily.

## Hassle-free Disposal!

## Flexible Asset Mix

The best business decision you have made is to be asset light! With lower capital outlay, it gives your business an instant competitive advantage. Our leasing packages give you access to a wide range of up-to-date vehicles / equipments to meet your varied business requirements and upgrading needs.
